workplayshop

where a healthy working environment meets high-end retail

ABOUT

DEVELOPER'S STORY OFFICE RETAIL

Along the Potomac River in Leesburg, VA, is River Creek—a place of simple elegance, uncomplicated values and pristine beauty. The premier gated country club community was designed to preserve the natural beauty of the land while providing a “lifestyle” community.

Introducing River Creek Village, a mix of environmentally friendly office space and high-end retail, adjacent to the River Creek community.

River Creek Village merges upscale goods and services with a “healthy” office building in a charming community setting to create a work, play, shop experience like no other.
